

I haven't received any tasks yet. But I have joined a project and have joined their discord. I am in the flow as well so I can receive tasks in the future.

The screenshot displays the ShotGrid web application interface for a project named 'RUIN'. The top navigation bar includes links for 'Inbox', 'My Tasks', 'Media', 'Projects', 'All Pages', 'People', 'Apps', and 'Resource Planning'. The main content area is divided into several panels:

- Overview:** Shows a large counter for '-518 days until Deadline'.
- Sequences:** A table listing sequences with columns for 'Sequence Name', 'Status', and 'Description'. The sequences listed are 001, 002, 003, 004, 005, a1, and omit, all with a status of 'Completed'.
- Shot Status:** A panel indicating 'No matching Shots to graph.'
- Asset Status:** A panel indicating 'No matching Assets to graph.'
- % Final by Department:** A table showing the completion percentage for various departments, all at 0%.
- Project Crew:** A table listing the project crew members, including their names, thumbnails, and email addresses.

The bottom of the screen shows a Windows taskbar with various application icons and system information, including the date and time (8:53 AM, 8/31/2026).

The screenshot shows a Discord chat window for the 'No Strings Attached' server. The left sidebar contains a list of channels, including 'Events', 'rules', 'tutorials', 'presentation_storyboard', 'model_references', and several help channels. The main chat area displays a conversation in the '# general' channel. The chat history shows several messages, including a welcome message from Lauren Zeigler, a message from David Jensen, and a message from Griffin Snyder. The bottom of the screen shows a Windows taskbar with various application icons and system information, including the date and time (8:56 AM, 8/31/2026).
